EDUCATION

23 November 2022

MASTER'S DEGREE IN MEDICINAL CHEMISTRY

University of Catania - Department of Drug and Health Sciences

110/110

1 April 2021 - 30 September 2021

ERASMUS PLUS PROGRAMME

Heinrich Heine University Düsseldorf

Thesis in Organic Chemistry entitled: "Synthesis of potential dopamine receptor ligands with benzothiazole motif".

2015

HIGH SCHOOL LEAVING QUALIFICATION IN
SCIENTIFIC STUDIES

Scientific High School "E. Fermi"

WORK EXPERIENCE

August 2023-current

PHD-CANDIDATE IN PHARMACEUTICAL BIOTECHNOLOGY

University Of Catania - Department of Chemical Sciences

January 2023 - April 2023

VOLUNTEER RESEARCH COLLABORATOR

University Of Catania - Department of Chemical Sciences

July 2019 - January 2020

INTERNSHIP

Croceverde Pharmacy, Catania

2018 - 2019

2021 - 2022

PART-TIME COLLABORATION AT UNIVERSITY
LIBRARY

University Of Catania

CERTIFICATES AND COURSES

July 2023

QUALIFICATION TO PHARMACIST

University of Catania

2023

ENGLISH LANGUAGE CERTIFICATE B2

LanguageCert International ESOL

2020

TRAINING COURSE "HEALTH AND SAFETY IN THE
WORKPLACE"

University of Catania

2020

DRUG DEVELOPMENT

Coursera

- 2020
INTRODUCTION TO MOLECULAR SPECTROSCOPY
Coursera
- 2018
BLS-D CERTIFICATE
Italian Red Cross, Catania
- 2014
DRIVING LICENSE B

PUBLICATIONS

- 2023
[Review](#): "Computer-Assisted Design of Peptide-Based Radiotracers"
Vincenzo Patamia, Chiara Zagni, Ilaria Brullo, **Erika Saccullo**,
Alessandro Coco, Giuseppe Floresta e Antonio Rescifina.
Int. J. Mol. Sci. 2023; DOI: <https://doi.org/10.3390/ijms24076856>

COMMUNICATIONS

- 2023
[9th International Electronic Conference on Medicinal Chemistry](#)
"Bio-Based Material for Drug Delivery and Iron Chelation to Fight
Cancer through Antimicrobial Activity" **Erika Saccullo**, Monia
Camarda, Vincenzo Patamia, Chiara Zagni, Roberto Fiorenza,
Virginia Fuochi, Sandro Dattilo, Pio Maria Furneri, Antonio Rescifina
e Giuseppe Floresta.
